Sample Questions

English

Std: 1

Student Name:Adm.No. Time: 2.5 Hours F.M. 80

Group -A (Text- 50marks)

1. Read the passage and answers the following questions:

Today is the eighth of March. It is Priya's birthday today. Her parents have gifted her a bicycle. It is red in colour. She is going to school. She is wearing a pink frock. She likes her new dress.

She keeps her school bag on the bench. She hangs her water bottle on the peg. "Happy Birthday, Priya!" her friend, Manya says.

"Thank you, Manya," says Priya. Priya's friends 'come to wish her. Soon, their teacher, Miss Anjali walks in. She smiles at the children. All the children stand up. "Good morning, teacher," they say together.

"Good morning, children," Miss Anjali says. "Pleasesit down." "Happy Birthday Priya," wishes Miss Anjali. "Thank you, teacher," says Priya. "I have got some sweets. Here is one for you." "Thank you, Priya," says Miss Anjali.

"May I distribute the sweets to my friends?" asks Priya.

"We will distribute these sweets during break," says Miss Anjali. "How old are you today?"

"I am six years old," tells Priya. "There will be a party at home in the evening." "Have you invited your friends ?" asks Miss Anjali.

"Yes teacher," says Priya.

"We will play many games." "Tring!" The school bell rings. All the children stand up. They join their hands for the morning prayer.

A. Tick the (✓) the correct option:

5×1=5
